Miss Bowersox has been laid up for several days with a sore toe.

FOR SALE: Barred Plymouth Rock eggs, 50 cents per 15. Write Mrs. Maggie Fowler, Berea, Ky., or call at home 2 1/2 miles north of Berea.

Dr. John Lowe who has been a missionary in China for several years gave a very interesting and helpful lecture in the Baptist church last Thursday evening and also gave an appealing and beautiful talk to the students in Chapel Friday morning on the urgent need of workers in the foreign field.

At her regular meeting Friday evening the Little Dulce Literary society elected officers for the remainder of the school year. They were as follows: Pres. May Harrison, Vice pres. Magie Taulbee, Sec., Ethel McBroom, Treasurer, Margaret Schumaker, third member of executive board, Margaret Todd, and Critic, Lillian Chrisman.

Mrs. W. D. Logsdon of Panola was the guest of Mr. and Mrs. Tom Logsdon at the first of the week.

Mrs. J. W. Evans left Sunday for a visit with her daughter, Mrs. D. B. Chandler at Mr. Vernon.

Mr. Lewis Rupard who has been in school here during the past year left Wednesday for his home at Winchester.

FOR SALE PRIVATELY:—7,000 feet good rough lumber, one second hand buggy, a \$17.50 set of buggy harness. Also a combined saddle mare, three years old, 15 hands high, good driver. Don't need them at present and will sell cheap.—Jas. Coyle, Berea, Ky.

The Model Schools observed Arbor Day last Friday with appropriate exercises and the planting of trees. The Junior grades gave a well prepared programme, and each grade planted some tree under the direction of Frances Clark.

Dr. Emily Dillman Smith formerly a medical missionary in Foochow, China, who has been spending the past winter in Gray Hawk, was in Berea a few days of this week. She spoke to the girls in upper report division Tuesday morning.

WATCH FOR THE COMET.

The great Halley's comet is at last visible to the naked eye in this part of the world. It is still a little hard to see, because you have to get up at half past four to see it. The Government has sent out a bulletin which says that Friday morning, at that time, is about the earliest that a good view of the thing is assured.

Word comes from Evansville and elsewhere, that people are finding themselves so sleepy that they cannot get really waked up. There has been some complaint of the same

kind around here—folks sleep and sleep and are still sleepy. The Evansville people blame the comet. It will be interesting to see whether the condition becomes general and lasts as long as the comet does. Did you still feel sleepy when you got up this morning? Some folks did.

HELP CLEAN UP BEREA

There are very few towns which are naturally as beautiful as Berea. In every possible way nature has done her best for this city, and the improvements of the last few years have gone far toward making the town modern in every way. Much is still left to do, and a good deal of it is financially out of the reach of any small city, but the most important thing of all we can do—we can clean up.

Berea is not clean. Litter of all kinds disfigures the streets, and it is impossible for a stranger to look with pleasure on the place, or for a citizen to show it with pride, so long as this condition continues. Fortunately, the women of the city have realized this, and the women's clubs have set to work to do something about it. They are the best of all possible agents for this, and we bet that they win. But every one ought to help them—for the good of the town if he is a good citizen, and for courtesy if he is a gentleman. The time to work is this week, Friday and Saturday. Let's all get busy, and have the town in better shape than ever before by the time the sun sets Saturday night.

Y. M. C. A. MEMBERS—LISTEN!

The Association ushered in the new school year of 1909-10 with the "Berea Night" blow-out, of speeches, yells songs and watermelons. It was enjoyed by all, big and little, rich and poor, handsome and some-ugly. The winter term was celebrated by a social in the Union Church and was an enjoyable success. And now last but not least comes the Spring term event. It is a double-header with all steam on. In the form of the annual business meeting of the Association plus the spring social. If any Y. M. C. A. member either student or faculty is absent on Tuesday, April 19th, 1910, A. D. from 7:00 to 9:00 p. m. by Berea tickers from the Union Church, we fear it will be because he cannot appreciate a high class programme or else that he has an instinctive aversion to high class refreshments.

REMEMBER—All Y. M. C. A. members are cordially invited.

PI EPSILON PI MEETING

One of the most pleasing and successful entertainments of the year was the open meeting of Pi Epsilon Pi Ladies Literary Society in the Chapel on Tuesday evening. A large attendance testified to the interest in the entertainment, and frequent hearty applause showed its success. The chief charm of the entertainment lay in its real literary merit and its simplicity. The productions were all part of a supposed copy of the May Ladies Home Journal, and the different articles were in imitation—some-

times rather in caricature—of the usual features of that publication. Tableaus set for illustrations and advertisements won great applause, and a May Pole dance by eight girls was charming. Following is the programme:—

Cover Design—The Dutch Flower Girl - George Hitchcock
MAUD PARKER
Inside Cover—Ivory Soap
LINNA JOHNSTON, LENORA HOLLIDAY
That Reminds Me - ANNA LEAVITT
Editorial—The Beauty of Simplicity - LAURA RAY
Art Department
Arranged by Florence Lillian Bush
The Three Fates - MAHALA DAY
FLAURA SPURLOCK
BEULAH YOUNG
Spring—ELIZABETH COOPER
Girl with Mandolin—EDITH RATHBUN
The Romance of an Investment - MRS. LUELLA MAGGARD
Duet—Qui Vive - W. Gans
EDITH EARLY, EDITH RATHBUN
Monologue—Mrs. Bracker—Youngie in the Dentist's Office - Florence Lillian Bush
THERESA JOHNSON
May Pole Dance - EIGHT GIRLS
May Day Superstitions and Entertainments - ARTIE PORTER
Far from the Madding Men—XIV - LILLIAN NEWCOMER
Physical Culture for Girls - GRACE MANKING

Advertisements—
Diamond Dyes - FERN SINKEY
Dutch Cleanser - LULA REASOR
Baker's Cocoa - HATTIE POYNTER
Back Cover—Gold Medal Flour - FIVE GIRLS

WOOD CONTRACTS:—Parties desiring to deliver wood to the College for the next school year, deliveries to begin after Commencement, should see Treasurer Osborne and get contracts at an early date. \$2.00 a cord will be paid for absolutely sound, good wood, with no small limbs.

ALPHA ZETA BANQUET

"The most successful banquet ever given by Alpha Zeta," was the verdict of the hundred friends and members of the Society who attended the Tenth Banquet at Boone Tavern Saturday night. The verdict was unanimous and extended practically to every feature of the evening. The occasion set a new mark, and one which will bother succeeding committees to live up to.

The big dining room of the hotel had been decorated for the occasion with the Society colors and fresh flowers, and the three long tables presented a most pleasing appearance when the guests entered at seven o'clock. After a delicious collation, the toasts of the evening were given under the able direction of Marshall Vaughn, who shone as toastmaster. No one has seemed able to select any one toast as the best, and certainly none could have been omitted without marring the evening. Following is the programme:—

A. Z. Standards, A. E. Thomson; Obstacles, Mrs. K. U. Putnam; Our Allies, Ralph Patin; Response, Miss Viola Click; and Pebbles and Pearls, Mr. O. C. Schwiering.

FOR SALE

A six room house with lot on Railroad Street, in Berea. Also a 25 passenger Merry-go-round, in perfect order. Has been run only a part of two seasons, has a good 2 1/2 horse power gasoline engine and good organ, which plays ten different tunes; has taken in as high as \$200 a day. Can be hauled over any road in two loads with a two horse wagon. My reason for selling is that I want to buy a larger one. Would trade for a good team of horses or mules.

H. K. Richardson, Berea, Ky.

NEWS OF THE WEEK

(Continued from First Page)

the city which has become the victim. However, there is much hope, as the first act of the newly elected government has to announce far and wide that it is not as dangerous as it looks.

T. R. SEES PINCHOT:—The long expected interview between Theodore and Pinchot is over and Teddy knows all that Pinchot has to say. Neither would tell what took place, and it is safe to say that Pinchot could get more than a dollar a word for a full report of the interview, if he would furnish it to the newspapers. It is worthy of note, first, that Roosevelt has promised to make a speech at Pinchot's Conservation Congress late this summer, and second, that Pinchot looked much happier after the interview than he did before. They spent most of two days at it. It is said that Pinchot made no attack on Taft.

MUST RE-HEAR BIG CASES:—The Supreme Court has decided that a re-argument will have to be made in the Tobacco and Oil Trust cases, decisions in which have been so eagerly awaited. Two judges are now off the bench and the others wish a full bench to hear the cases. This probably means that no decision will be reached till next winter.

ANOTHER BIG CRUISE:—Plans are being made for a repetition of the battleship cruise around the world. Sixteen ships will make this cruise, but they will be more powerful ones than the last time. The benefits of the last cruise were so great that it is likely that the cruise will be a frequent feature of Naval practice.

NO TRACE OF COOK:—A party of four men has just returned from climbing Mt. McKinley, which Dr. Cook claimed to have scaled some years ago. They report that they could not find any trace of him, or go up the way he said he did.

In the Dining Car.

The man at the table in the dining car had long hair, high cheek bones, a turn-down collar, and a frock coat.

The colored waiter observed him carefully.

"Small glass of whisky, large glass of water," said the man.

Then the waiter shifted his razor to his jacket pocket and the meal quietly proceeded.

Farmers, Don't Fail to Use Fertilizer!

It is now time to begin sowing oats and planting corn. And everything points to a good crop year. Now don't make a mistake and fail to use some good fertilizer because you did not get good results last year. If you should buy a horse or cow and it should die you would not say "I will never buy another one." Now the thing to do is to try and gain this year what you lost last year, and the way to do it is to use Read's or Globe Fertilizer and raise big crops. Don't use some other fertilizer because some one tells you it is just as good. Use the kind that you know is good and you will not take as much risk.

We have two car loads on hand and would be glad to sell you. Come and see us before buying.
